Phase 7.7

Vedic Mathematical chase of Ancient Wisdom exploration of Janam – Punarjanam (जन्म पुर्नजन्म) / Birth-Rebirth feature of Our Existence Phenomenon

Abstract

Core of available Sathapatya based Vedic literature preserves ancient wisdom chase of Janam – Punarjanam (जन्म पुर्नजन्म) / Birth-Rebirth feature of Our Existence Phenomenon is exhaustively organized by Ayurved Samhitas as manifested creations within Garbhashey (गर्भाशय) / Mother womb as Kaal Vidhi Vidhan (काल विधि विधान) / time based nature's frame scriptural commands in Devnagri alphabet formulations format. Here Vedic Mathematics, Science & Technology values inherently imbedded in basic formulations are being focused.

For focused attention

It is for focus attention that following two Dhatu (धातु) / verb roots of Churadigana (tenth group of verb roots) / dhatu part deserve to be visited with focused attention

- i Anka (अङ्क पदे लक्षणे च)
- ii Laksha (लक्ष दर्शनाङ्कनयोः reach aim)

Further for sequential order, the following preservations of Patanjali Yog Darshan deserve to be fully comprehended for Ancient Wisdom Discipline of Vedic Mathematics, Science and Technology, as applications of Ganita Sutra 1 and Ganita Sutra 14 rules: Ekadhiken (एकाधिकेन / ascending order आरोही क्रम) and Ekanueneyen (एकान्यूनेन / decending order अवरोही क्रम)

- 1 4.32 परिणामक्रमसमाप्ति
- 2 4.33 परिणामनिर्ग्राह्य क्रम After sequential order reach, the logic of sequential order holds no more
- 3 3.22 सोपक्रम (16, 13 / origin fold, dimension fold) निरूपक्रम (25, 13 / $2n + 1$ th version of hyper cube n)

Here under following formulations have been attended to for appreciation of Ancient Wisdom particularly Shareer Sathanam of Charak Samhita (Ayurved Samhita)

1. Formulation Garbhashey (गर्भाशय) / womb
