Step 9.1: Human

1. Existence within human frame is parallel to the format and features of existence within 'sleep frame'
2. Existence within 'sleep frame' is of the format and features of 'four space' sleep frame.
3. Four space sleep is of the format and features of 'church Discipline'
4. As such, in the context, it would be blissful to chase through the format and features of following NVF equations :
 - $NVF \text{ (Four space sleep)} = 161 = NVF \text{ (Church Discipline)} = NVF \text{ (Subtraction)} = NVF \text{ (A purification)}$
5. One may have a pause here and permit the transcending mind to transcend through the format and features of $NVF \text{ (human)} = NVF \text{ (Sleep)}$ and $NVF \text{ (humane)} = NVF \text{ (Cosmic)}$
6. The shad chakras format (6 eternal circuits) format of human frame deserves to be chased sequentially.
7. Seven consciousness states of existence within human frame as well deserves to be chased.
8. Human body, human body seal because of Being, new human body because of 'Self' and 'black fire' expulsion from 'human body' because of 'soul' deserves to be follow.

*

Step 9.2: Human Being

1. $NVF \text{ (Human Being)} = NVF \text{ (sleep seal)} = NVF \text{ (Monad, monad)} = NVF \text{ (Trimonad)}$.
2. Sleep state is the second consciousness state of the existence phenomenon within human frame
3. $NVF \text{ (sleep state)} = NVF \text{ (Sleep center)} = 122 = NVF \text{ (Frequencies)} = NVF \text{ (Church, church)}$
4. 'Sleep seal' as 'Trimonad' / 'monad, monad' / 'spatial order' creator bag and 'sleep center' as 'frequencies' of the format and features of pairing of 'church, church' deserves to be chased.
5. One may have a pause here and permit the transcending mind to transcend through sleep seal and reach at sleep center
6. One may further have a pause here and take note that the transcendence through 'seal' and reach at 'center' is of the format and features of fourth element 'air'

7. NVF (Center) = NVF (Air seal) deserves to be chased
8. NVF (Center) = 65 and NVF (Light) = 56 take us to reflection pair of artifices (65, 56) of summation value $65 + 56 = 121 = \text{NVF (unification)}$
9. These features of 'human Being' and parallel to it of 'sleep state' deserves to be chased.
10. NVF (human Being) = 94 = NVF (Trimonad) = NVF (Monad, Monad)
11. NVF (humane Being) = NVF (human self)
12. One shall have a pause and permit the transcending mind to continuously remain in prolonged sitting of trans and too glimpse the transition and transformation of 'human Beings' as 'humane Beings'.

*

=====

Step 9.3: Human Being self

=====

1. The transition and transformation of 'Being' to 'Being self' is of the order of 'nature', as much as that $\text{NVF (Being self)} = \text{NVF (Nature)}$
2. The transition of 'human Being' as 'human Being self' is the transition from the format and features of 'trimonad' into 'consecutive', as much as that $\text{NVF (Human Being)} = \text{NVF (Trimonad)}$ and $\text{NVF (Being self)} = \text{NVF (Consecutive)}$
3. One may have a pause here and permit the transcending mind to glimpse the format and features of 'Trimonad' and of 'consecutives'
4. $\text{NVF (Trimonad)} = \text{NVF (Monad, monad)}$
5. $\text{NVF (Consecutive)} = 136 = \text{NVF (Joint, joint)}$
6. It would be blissful to take note that artifice 136 avails triple digits (1, 3, 6) parallel to which are the synthesis values of (single linear dimension, pair of linear dimensions, triple linear dimensions).
7. $\text{NVF (Trimonads)} = 113 = \text{NVF (Universe)}$
8. $\text{NVF (Consecutive)} = 155 = \text{NVF (Sky Discipline)}$
9. It would be blissful to note that $\text{NVF (consecutives)} = \text{NVF (Morality)} = \text{NVF (sky Discipline)}$
10. The transition and transformation of 'human Being' to the state of 'human Being self', as such shall be accepting the test of 'morality state'
11. 'Morality state' index, that way shall be indexing the attainment of 'human Being self' values and virtues.

*

=====

Step 9.4: (Being, Self, soul)

=====

1. (Body, Being, self, soul) is the quadruple in terms of which the existence within human frame may be indexed.
2. $\text{NVF (body)} = \text{NVF (logic)}$, as such shall be providing us a format for chase of the features of existence within human frame.

3. NVF (Being) = NVF (Seal) as such shall be helping us to be face to face with the different format seals accepted by the human frame.
4. NVF (Self) = NVF (New) = NVF (Five) = NVF (Nine), as such shall be helping us glimpse the renewing processes of existence within human frame
5. It would be a blissful to glimpse Transcendental renewing of the existence within human frame
6. Further it would be very blissful to be face to face with the renewing of Nav braham order for the existence within Human frame.
7. Triple formats (Being, self, soul) and parallel to it the triple artifices (37, 42, 67) and further the reflecting pairing artifices triple (73, 24, 76), on their chase shall be enriching our insight about our selves.
8. NVF (Self) = NVF (Being 5) and NVF (Soul) = NVF (Self area) = NVF (Being bible)
9. It would be blissful to permit the transcending mind to continuously remain in prolonged sitting of deep trans and to be face to face with the different existence format within human frame as existence Discipline.

*

Step 9.5: (Self, soul)

1. The transition from existence state of 'self' to 'existence state of 'soul' is of Transcendental features, as well as of Brahman features
2. The Transcendence range steps as an end fruit is the attainment of transition from linear order set up to spatial order set up
3. Here it would be relevant to note that this transition attainment would be of the order and features of transition from the format and features of first element 'Earth' to the format and features of second element namely 'water'.
4. Manifesting feature of human frame for soul pilgrimage within body as of sequential unfoldment as 'Being, self and soul' deserves to be chased.
5. This chase, externally of the format and features of seven steps long unity range (Earth, water, Fire, Air, Space, Sun, Pole Star)
6. It would be relevant to note that parallel seven steps long NVF values range comes to be (52, 67, 38, 28 , 44, 54, 106)
7. The unity range formulation 'human frame, body, Being, self, soul, universal soul, accepts parallel NVFs values range (100, 46, 37, 42, 67, 188)
8. For appreciation, comprehension and for imbibing of the values and virtues of parallel formats of above pair of unity ranges, one shall sequentially chase each of the above pair of unity ranges and thereafter to have a comparative chase of these pair of ranges.
9. As such, it would be blissful to be through following tabulations:

Table – 1

Sr.	Formulation	NVF Value	Summation value
1	Earth	52	52
2	Water	67	119
3	Fire	38	157

4	Air	28	185

1	human frame,	100	100
2	body	46	146
3	Being	37	183
4	Self	42	225
5	Soul	67	292
6	Universal soul	188	480

10. The following paired pair values as well deserves to be chased

- i. $NVF(\text{Earth, Water}) = (52, 67) / (52 + 67 = 119) = NVF(\text{Foundation})$
- ii. $NVF(\text{Water, Fire}) = (67, 38) / (67 + 38 = 105) = NVF(\text{Definition})$
- iii. $NVF(\text{Fire, Air}) = (38, 28) / (38 + 28 = 66) = NVF(\text{Single})$
- iv. $NVF(\text{Air, Space}) = (28, 44) / (28 + 44 = 72) = NVF(\text{Origin})$
- v. $NVF(\text{Space, Sun}) = (44, 54) / (44 + 54 = 98) = NVF(\text{Transcend})$
- vi. $NVF(\text{Sun, Pole Star}) = (54, 106) / (54 + 106 = 160) = NVF(\text{Purification})$

11. It would further be relevant to take note of the NVF equations

- i. $NVF(\text{Water}) - NVF(\text{Earth}) = 15$
- ii. $NVF(\text{Water}) - NVF(\text{Fire}) = 29$
- iii. $NVF(\text{Fire}) - NVF(\text{Air}) = 10$
- iv. $NVF(\text{space}) - NVF(\text{Air}) = 16$
- v. $NVF(\text{Sun}) - NVF(\text{Space}) = 10$
- vi. $NVF(\text{pole star}) - NVF(\text{Sun}) = 52$

12. It would be blissful to permit the transcending mind be through the following NVF equations format and values

- i. $NVF(\text{Human frame, body, Being, self, soul, pilgrimage}) = NVF(\text{Earth, water, fire, air, space, sun, pole star})$

*

=====
 Step 9.6: (Soul)
 =====

1. Earth, Water, Fire, Air, Space, Sun, Pole Star content leads us to NVF value $52 + 67 + 38 + 28 + 44 + 54 + 106 + 91 = 480 = 2 \times 4 \times 6 \times 10$.
2. Human frame, body, Being self, soul, pilgrimage, universal soul lead to NVF value $100 + 46 + 37 + 42 + 67 + 97 + 188 = 480 = 2 \times 4 \times 6 \times 10$.
3. One shall sit comfortably and permit the transcending mind to continuously remain in prolonged sitting of trans and to glimpse this phenomenon of soul pilgrimage within human frame unfolding itself as body, Being, self and soul and ultimately transcending as universal soul.

4. For proper comprehension and full appreciation of the phenomenon of soul pilgrimage, one shall permit the transcending mind to sequentially chase the phenomenon of content of phases and stages of pole star, Sun, Space, Air, Fir, Water and Earth
5. It would be a blissful exercise to have a parallel chase of both external (content) and internal pilgrimage phenomenon.

*

=====

Step 9.7: (Universal soul)

=====

1. The soul pilgrimage within human frame is a Transcendental phenomenon.
2. It is of self referral features.
3. The Transcendence of soul during pilgrimage within human frame and attaining unity state as universal soul deserves to be chased meditated upon.
4. This chase along Transcendental meditation format is a Divya Ganga flow path of Transcendental carriers of Sunlight.
5. It is a real perfection pairing of external content flow and internal pilgrimage light.
6. NVF (Perfection) = NVF (A sunlight) = NVF (A meditation)
7. NVF (perfection) + NVF (Perfection) = NVF (Transcendental carriers).
8. It would be a blissful exercise to permit the transcending mind to glimpse the phenomenon of
 - i. NVF (Nose) = 53 = NVF (Axis)
 - ii. NVF (Air) + NVF (Air) = NVF (light)
 - iii. NVF (half air) = NVF (sky)
 - iv. NVF (one air) = NVF (Cosmic)
9. It would further be blissful to take note that nose has a pair of nostrils with NVF (nostrils) = 116 = NVF (Four folds).
10. Further it would be blissful to take note that 'air' is the fourth element.
11. NVF (Air) = 28 which is parallel to artifice 28 as second perfect artifice.
12. Further it also would be relevant to take note that artifices 53 and 35 constitute a reflection pair of artifices and parallel to them are the formulations of NVF values 53= NVF (Nose) and 35 = NVF (Eye)
13. Like that the four folds manifesting within human frame on its chase shall be brining us face to face with the universe within universe outside Being of parallel format and features.
14. Soul pilgrimage within human frame and 'Birth Rebirth phenomenon' as virtue of 'Universal soul' is Being aimed to be touched during coming week.
