## FOUNDATION COURSE

Week – 21 Unity state

Chase step 61	Artifice 7
Chase step 62	Hyper sphere 7
Chase step 63	Unity state existence format

### Introductory

1. Unity state is an organization of 7 steps long unity ranges.
2. It leads to formats and features parallel to the artifices set up  $7, 7 \times 7, 7 \times 7 \times 7$ .
3. The organization of format and features of artifice 7 permits chase for pure and applied values has range of 7 steps, pair of ranges of  $7 + 7$  steps, triple ranges  $7 + 7 + 7$ , quadruple ranges  $(7 + 7 + 7 + 7)$ , Transcendental feature ranges  $(7 + 7 + 7 + 7+7)$ , self referral feature ranges  $(7 + 7 + 7 + 7+ 7 + 7)$  and unity state axis organization  $(7 + 7 + 7 + 7+ 7 + 7+7)$ .
4. This unity state axis organization also avails  $7 \times 7$  matrix / grid zones organization format.
5. Ahead the organization of  $7 \times 7 \times 7$  cells lead to universal formats.
6. This brings us face to face with the organization of artifices 7, 14, 21, 28, 35, 42 and  $49 = 7 \times 7$  and ahead 49, 98, 147, 196, 245, 294 and 343

\*

Chase step 61      Artifice 7

1. Artifice 7 is of unique features.
2. 3-space accepts 7 geometries range, parallel to it, cube accept 7 versions
3. The biggest numeral of ten place value system is 7.
4. Domain boundary ratio of hyper cube 7 is  $A^7: 14B^6$ .
5. The boundary of hyper cube 7 permit fixation in terms of  $14 \times 7 = 98$  Transcendental coordinates (as 5-space plays the role of dimension of 7-space)

6. The set of 98 Transcendental coordinates, infact leads to 98 triples at dimension of dimension level.
7. The chase of 98 triples shall be bringing us face to face with the different features of existence phenomenon of our solar universe with pole star playing the role of origin fold of our self referral universe (6-space as domain fold).
8. There are 7 states of consciousness namely waking state, dream state, deep sleep state, cosmic state, Transcendental state, God state and unity state of consciousness.
9. The unity state range (Earth, Water, Fire, Air, Space, Sun, Polestar) is the basic range which deserves to be chased for comprehending, appreciation and for imbibing and insight of our existence phenomenon within human frame of 7 states of consciousness.
10. It would be blissful exercise to chase different unity states of ranges of formulations accepting 7 steps long NVFs range (n, n+1, n+2, n+3, n+4, n+5, n+6)
11. Illustratively n = 35 shall be leading us to the unity state formulation range (eye, real, seal, fire, angle, line, affine)
12. It would be blissful exercise to enlist good number of unity state ranges formulation.
  - i. Illustratively (ear, area, god, half, air, black, fact).
  - ii. (Mouth, ambrosia, nature, creator, square, factors, follow)
  - iii. ---

\*

---

---

Chase step 62      Hyper sphere 7

---

---

1. The unity state range (hyper sphere-1, hyper sphere-2, hyper sphere-3, hyper sphere-4, hyper sphere-5, hyper sphere-6, hyper sphere-7) deserves to be chased
2. The unity state range (hyper sphere-7, hyper sphere-8, hyper sphere-9, hyper sphere-10, hyper sphere-11, hyper sphere-12, hyper sphere-13) deserves to be chased.
3. NVF (Hyper sphere) = 143 = 11 x 13, the matrix format of 12 place value system, which deserves to be chased.
4. The transition from ten place value system to twelve place value system will help comprehend the transition from creative boundary of ten components of Transcendental domain to Transcendental boundary of twelve components of self referral domain.
5. The unity state range (143, 144, 145, 146, 147, 148, 149) deserves to be chased.
6. The parallel formulations range (Philosophy, Formulation, Structure, Manifestation, Computation, Scriptures, inter-connected).

7. NVF (Eco hyper sphere) = 166 = NVF (Single Discipline)
8. The unity state range (166, 167, 168, 169, 170, 171, 172), deserves to be chased.
9. The parallel unity state Discipline range (single Discipline, water Discipline, joint Discipline, zoom Discipline, stop Discipline, sphere Discipline, origin Discipline) deserves to be chased.
10. NVF (New eco sphere) = 208 = NVF (Geometry Discipline)
11. Unity state Discipline range parallel to NVFs range (208, 209, 210, 211, 212, 213, 214) deserves to be chased
12. Chase unity state Discipline range (geometry Discipline, refraction Discipline, sunlight Discipline, perfection Discipline, mathematics Discipline, universe Discipline, Impulses Discipline)
13. Ahead (intelligence Discipline, four folds Discipline, manifesting Discipline, wonderful Discipline, foundation Discipline, wholeness Discipline, frequencies Discipline) deserves to be chased
14. It would be a blissful exercise to tabulate different ranges of unity state Disciplines and chase their distinguishing features.

\*

---

---

Chase step 63      Unity state existence format

---

---

1. It would be a blissful exercise to chase unity state existence format.
2. NVF (Unity) = NVF (Unit area).
3. NVF (State) = 65 = NVF (Center).
4. NVF (Existence) = NVF (Creator)
5. NVF (format) = NVF (Sound) = NVF (Pulse) = NVF (Number) = NVF (Corner) = NVF (Surface).
6. Let us have a pause and permit the transcending mind to permit the transcending mind to glimpse and face to face with (i) unit area then (ii) center (of unit area), then (iii) creator (at center of unit area)
7. Then the functional format as sound, pulse, number, corner, surface and like that the creator manifests Himself at center of unit area.
8. It would further be blissful exercise to chase artifices range (89, 65, 80, 73) and parallel quadruple formulations
9. The summation values 89, 154, 234 and 307 as well deserves to be chased as NVF values leading to series of formulations.
10. Illustratively 89 = NVF (Unity)
11. 154 = NVF (Sun Discipline) = NVF (Comprehension)
12. 234 = NVF (Dynamic State Discipline) = NVF (Intellectual Discipline)
13. 307 = NVF (Ultimate reflection thought)
14. One shall sit comfortably and permit the transcending mind to continuously remain in prolonged sitting of trans and to glimpse and to be face to face with the features of the formulation format 'ultimate reflection thought'.

15. One may have a pause here and take note that the NVF (Ultimate) = NVF (Interval) = 101

16. It would be blissful to note that the artifice 101 and parallel geometric format of 3 point fixation of line as an interval shall be giving us an insight as to the format and features of reflection phenomenon of light and of mirror coordinating object and image, and like that the range of different features series, and to have comprehension and appreciation of ultimate reflection thought / ultimate thought reflection / reflection thought ultimate / thought ultimate reflection.
